The **June 2018** base prices for asphalt are listed on the charts on the left side of this page.

Asphalt cement is based on a Special Provision dated July 1, 2000 and January 21, 2002.

The **June** index (PG Grade) is based on an average of the following five suppliers posted prices:

- Marathon Petroleum**, Catlettsburg, KY
- Marathon Petroleum**, Floreffe, PA
- Asphalt Materials**, Marietta, OH
- Associated Asphalt**, Martinsburg, WV
- Associated Asphalt**, Baltimore, MD

**NOTES:**

A "New" index was adopted in January 2002 which utilizes the sources as referenced above. The new 2002 index also discontinues the use of an index for bituminous material (tack).

The "Old" index was discontinued as of February 2017.

Effective January 1997, the asphalt index for bidding and placement will be based on a price per ton for Performance Grade (PG) 64-22, in lieu of AC 20
