MEET DANA CAIN 2025 WOFA WV CHAIR

Dana's journey in the asphalt industry has been shaped by both family influence and her evolving career interests. Growing up with her father, Don, who is a sales representative for Mulzer Crushed Stone, Dana was always surrounded by the world of construction and paving. However, when she started her studies at Marshall University, she wasn't certain about her career path. It wasn't until her senior year that she discovered her passion for Human Resources and decided to pursue it further.

After graduating, Dana took her education a step further by enrolling in the graduate program at Marshall University, where she earned her Master's in Human Resource Management. Throughout this time, Dana continued to be immersed in the asphalt industry, building strong relationships with the hardworking people her father worked with. Her connection to the industry deepened as she worked for Shelly & Sands / Kelly Paving for the past six years as the Human Resource Manager. In this role, Dana has had the opportunity to meet and work alongside many dedicated men and women on the road, forging meaningful relationships and learning about their roles in construction.

Looking ahead, Dana is excited about the future, both for herself and for the industry. With a foundation in Human Resources and a passion for the people she meets in the field, Dana is eager to continue her journey in the asphalt world and contribute to its growth and success.

She will serve as the Chair of the WofA WV Executive Committee in 2025.

Thank you Dana for representing Women of Asphalt WV so well and for serving on our Executive Committee!!

Women of Asphalt Spotlight

WEST VIRGINIA BRANCH

VOLUME 5

WofA WV Branch Executive Committee Members held a “Christmas Drive” at their Christmas Luncheon. We collected diapers, wipes and baby food to support the Haven Maternity Home in Moundsville, WV. They are currently remodeling and working to open so they can house up to 3 pregnant mothers with toddlers and their newborns. These are women who are getting out of domestic violence situations or are homeless. Haven Maternity Home is the only maternity home in the Northern Panhandle. They are in need of numerous household, hygiene, postpartum and baby items so please keep them in mind. They are also accepting help and donations to get the house ready as some of the rooms they had to take down to the studs. Donations can be dropped off or shipped directly to 1306 2nd St, Moundsville, WV 26041,

Contact: Teresa Devlin 304-539-4726

They also have an Amazon wish list.

We are always looking for community service project opportunities, if you have any ideas, please email wofa@asphalt.com
